Our New Specialty Folder Gluer Has Arrived!!

Buckeye Boxes is happy and excited to announce the installation of our new **J&L Mark-5 Specialty Folder Gluer**. This machine replaces our 1995 J&L machine allowing us to produce wider and longer corrugated products, including E-flute.

This new addition will help us meet the growing need for more efficient and high quality corrugated packaging products. Common designs such as: Auto-Lock Bottoms, Inside Partitions, 4 Corner Trays, Infold / Outfold Trays, Long Straight-line Boxes, Mailers, Displays, Tubes, and Shallow Depth Boxes.

Please feel assured that we will continue to work diligently to produce innovative and quality packaging products to help your business grow and prosper. If you have any questions or would like to visit our plant, please contact your Buckeye Boxes' sales representative.
